Technical

- When mufflers are required, the only acceptable muffler is the Schoenfeld # 14272735-78. Mufflers **ARE** required for East Bay Raceway Park. **Teams will be testing a new P1 muffler at East Bay. Teams testing this muffler understand that if the muffler doesn't pass the decimal reading test will need to change the P1 muffler back to the Schoenfeld -78 muffler.** Mufflers are not required for Senolia or Volusia Speedway Park.
- No Provisionals will be granted.
- Our format has changed for these events. We will qualify in groups dictated by pill draw. The fastest car of each group will start fourth in their respective qualifying group / heat. All other cars will be lined up by time (2nd quick on the pole, 3rd quick 2nd, 4th quick 3rd, 5th quick 5th, etc.). The heat winner and fastest qualifier to transfer to the A-main thru the heat race will qualify for the dash draw. There will be one dash. For a 3 heat program, there will be 6 eligible dash cars, 4 heats – 8 cars, 5 heats – 10 cars. The two fastest times that do not qualify for the dash by winning their heat or being the fastest in your group to transfer, will no longer be dash eligible.
- Tires: Must qualify, race your heat and A-main on the same tire unless instructed otherwise at the driver's meeting. A different tire can be used for the b-main and dash.

Series Contingency Program:

We have 7 mandatory series and contingency decals for every car to run on their top wing.

1. All Star Circuit of Champions decal (Series) FloRacing decal (Series)
2. Mobil 1 (Series)
